

# Welcome to Fort Wayne, Indiana

The Miami nation first established a settlement at the Maumee, St. Joseph, and St. Mary's Rivers in the mid-17th century and they called it *Kekionga*. In 1794, General Anthony Wayne defeated the Miami Confederacy and a new fort was built at the three rivers in honor of General Wayne. *Fort Wayne* prospered under the construction of the Wabash and Erie Canal, earning Fort Wayne's nickname, *The Summit City*, due to the city's placing at the zenith of the locks on the canal.
